Butler Court

For independent retirement living

This peaceful block in Reitz Street consists of 14 one-bedroom flats. Garages and a laundrette are located at the neighbouring Protea Court.

The residents keep themselves occupied with many activities in the "Cosy Corner", such as exercise classes, outings, fundraising functions, braais and much more.

The Society's clinic sister is available on the first and third Tuesday of every month and short-term specialist nursing care is available at the Society's frail care centres, the nearest being Silver Oaks Lodge, also in Reitz Street.

A few words from the Manager:

Special services you offer:

The flats and Cottages are for independent living, very much like a "self catering" unit. Although the residents are still able to function totally on their own and are healthy capable people, we do offer a clinic service as well as the services of the Service Centres.

A few wise words:

Quoting one of our residents: 'Youth is wasted on the young, that is why I have gone back to mine'
