Camelot

For independent retirement living

Situated in Pienaar Street, in a lovely residential area of Somerset West with a splendid view of the Hottentots Holland Mountains. Set in a lovely garden, this single storey block consists of 38 bedsitters and a delightful communal lounge and laundrette. Within walking distance of the village close to local amenities.

The Society's clinic sister is available on the first and third Friday of every month and short-term specialist nursing care is available at the Society's frail care centres, the nearest being Robari Lodge, in nearby New Street

A few words from the Manager:

Special services you offer:

The flats and Cottages are for independent living. Very much like a "self catering" unit. Although the residents are still able to function totally on their own and are healthy capable people, we do offer a clinic service as well as the services of the Service Centres.

A few wise words:

Quoting one of our residents: "Youth is wasted on the young, that is why I have gone back to mine"
