Ebenezer

For independent retirement living

This intimate small double storeyed block is situated in Drama Street, in a lovely residential area of Somerset West, within walking distance of central Somerset West and contains six bachelor and two bedroom flats. All the flats have stunning views of the Hottentots Holland mountains.

Short-term specialist nursing care is available at the Society's frail care centres, the nearest of which is Robari Lodge, around the corner in New Street

A few words from the Manager:

Special services you offer:

The flats and Cottages are for independent living. Very much like a "self catering" unit. Although the residents are still able to function totally on their own and are healthy capable people, we do offer a clinic service as well as the services of the Service Centres.

A few wise words:

Quoting one of our residents: 'Youth is wasted on the young, that is why I have gone back to mine'
