A few words from the Manager:

I have been with the Society for nine years, five of them as Manager. I transferred to Silver Oaks in Nov 2008 from Helderberg Lodge. One of the advantages of this move is that I've brought my expertise about Dementia to the Home. In my time with the Society many changes have occurred mainly in adapting to the needs of the Elderly and the Community..

Special services we offer:

We also offer Day Care, Respite Care and Holiday Accommodation as well as Services of our Seniors Rendezvous.
