Swannack Gardens

Live a peaceful yet busy life

There are 38 beautifully appointed cottages, set in lush gardens. Lunch is served daily in the Vonke House dining-room, and is included in the rent.

For your convenience a library, hair salon, kiosk, clinic and two launderettes are situated in the complex. The many social activities include bingo, card games, scrabble, exercises, musical concerts, outings, church services and much more.

Short-term specialist nursing care is available at Mountview in Vonke Park.

A few words from the Manager:

Special services you offer:

The flats and Cottages are for independent living. Very much like a "self catering" unit.

Although the residents are still able to function totally on their own and are healthy capable people, we do offer a clinic service as well as the services of the Service Centres.

A few wise words:

Quoting one of our residents: "Youth is wasted on the young, that is why I have gone back to mine"
