## *Vonke House*

**Living at Vonke House is one of the best decisions you'll ever make!**

You can choose from 91 elegant bachelor and one-bedroom flats. A well-balanced lunch, included in the rent, is served daily in the dining-room. For your convenience a library, hair salon, kiosk, clinic and a launderette are situated in the building. A laundry service is also provided.

The many social activities include bingo, card games, scrabble, exercises, musical concerts, outings, church services and much more. Short-term specialist nursing care is available at Mountview, adjacent to Vonke House, also in Vonke Park.

### **A few words from the Manager:**

Special services you offer:

*The flats and Cottages are for independent living. Very much like a "self catering" unit.*

*Although the residents are still able to function totally on their own and are healthy capable people, we do offer a clinic service as well as the services of the Service Centres.*

A few wise words:

*Quoting one of our residents: "Youth is wasted on the young, that is why I have gone back to mine"*
